

Looking to enhance your Google Suite for EDU skills? Then look no further than the **Google University Online Guided Courses!**

Get even more details at www.burnedinteacher.com/googleuniversity

Learn more about G Suite for EDU from the comfort of your classroom. That's right! No substitutes, no traveling, no “one and done” instruction.

Now, you can experience each course at your own pace, anytime and anywhere with the support you need to learn and try new things with educational technology:

- ★ After you register, you'll be sent an email with a Zoom link (to join our recorded video classes) and a Google Classroom code and instructional video to help you to join our first call and access your course in Google Classroom
- ★ Each month, we'll have between 2-4 classes each Thursday from 3:30-4:30 pm EST*, via a free video conferencing platform called Zoom
- ★ Each course is taught within Google Classroom, where you'll access all slide decks, recorded calls, examples, and communicate with me and other students - **You'll also have FOREVER ACCESS to all materials!**
- ★ Miss a call? NO WORRIES! All of the video calls are recorded and loaded into Google Classroom (Where all of our course/class materials are held)

*Times/Days may vary depending on the month
